Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>The total number of working days in each semester is estimated at the beginning of each semester. In both semesters, around 185 working days are utilized for the teaching.</p> <p>In the staff meeting, all the members of the teaching staff are asked to prepare their teaching plan and to maintain the college academic diary.</p> <p>Orientation programmes are organized for newly recruited staff members before the commencement of each semester. To deal with newly introduced courses in the curriculum in an effective manner, some staff members are given training.</p> <p>Staff members visit the learning resources such as the library and websites NPTEL, MOOC, Udemy, Udacity, Swayam, etc. they prepare handouts, question banks, e-contents and design projects/ assignments of their courses to ensure quality in the teaching-learning process.</p> <p>Our IQAC meticulously prepares Academic Calendar of the institution in accordance with SRTMU, Nanded and promptly monitors activities as per the plan.</p> <p>Timely conduction of unit tests, pre-semester examinations, curricular, co-curricular and extra-curricular activities are taken into account while preparing the academic plan. The academic calendar is published on the college website and notice board and email forwarded to the teachers and students.</p> <p>Theory and practical classes are conducted as per the academic calendar. One or Two-Week long Preparatory Course is arranged for the first-year students every year. The objectives of the programmes are conveyed to all the stakeholders and prerequisites reviewed.</p> <p>To make teaching-learning effective, teaching staff members are promoted to use different teaching aids, such as PowerPoint presentations, audiovisual aids, projectors, charts, video, etc. For practical sessions, staff members prepare the lab manuals as per the course requirements. Batch-wise practical sessions are conducted. Well-equipped laboratories in computer science and biotechnology are in the service of the students. The aforementioned activities are strictly observed and monitored by the in-charge.</p> <p>In accordance with the university curriculum, we identify and prepare application-oriented modules which are considered as academic projects. These projects are assigned to all UG and PG first to final students and the deadline is given to complete the projects. Project Guides supervise projects and guide the students for the development and completion of assignments-cum-projects.</p> <p>Feedback on teaching and learning is sought from students in every semester. This helps to understand whether the execution of the curriculum is taking place satisfactorily and necessary actions are taken to improve the teaching-learning process.</p> <p>Value-added courses, Add-on Courses, and Certificate courses are also offered by the institution to enhance the curriculum. The institution has formed Online Learners' Community (OLC) to motivate the students' online learning. A large number of students take free and paid online courses, to supplement their courses. Online Certificate Course Contests are organized and incentives/prizes are given to the best performers.</p> <p>We introduce certificate courses which help the students to develop their hard skills and soft skills. The courses like Soft Skills and Personality Development, Certificate Course in Advance Java, .NET, Quantitative Aptitude, Logical Reasoning, Plant Tissue Culture, Nursery Compost are generally recommended to the students</p>
