Dear Friends,

We, the Principal and the Members of Staff of College of Computer Science and Information Technology Latur, are very much pleased to invite you for the One-Day Workshop on Ability Enhancement Course to be held on 16th September 2017.

S. R. T. Marathwada University Nanded has newly (2016-17) introduced Ability Enhancement Course viz. i) Language Aptitude ii) Numerical Aptitude iii) Logical Reasoning in the curriculum of B. Sc. Computer Science, Software Engineering and Bachelor of Computer Application.

We expect that the Asst. Professors / teachers teaching these subjects in the colleges affiliated to the university should participate in this workshop to know the importance and the objectives behind assigning these courses in the curriculum.

The Organizers:

College of Computer Science and Information Technology has been operational for last 16 years and striving hard, from its very inception, to provide quality education in Computer Science and Biotechnology Management.

The Department of Computer Science and Computer Application run various Curricular and Co-curricular activities every year for the overall developments of students and members of the faculty. Every year numbers of meritis holders in university examination are from these departments.

The Multinational companies such as WIPRO, TCS, Tech-Mahindra and Syntel conduct the campus placement drive at our campus and give the placement to the maximum number of students.

The College has its own dedicated Placement Cell which imparts different training programmers such as Communication Skills, Soft Skills, Quantitative Aptitude, Logical Reasoning and other necessary technical programmes to help the students to be employable and confident.

The Department of Computer Science is a Research Centre recognized by S. R. T. M. University, Nanded and there are 06 students who have been awarded Ph.D. and 07 Research scholars who are pursuing research leading to PhD.

: Vision :

To be one of the best colleges for
teaching and research in the field of
Computer Science, Information
Technology, Biotechnology and
Management Science.

Mission

Providing best possible education to our students.

Developing the skilled human resource.

Enhancing Employability of the students.

The Workshop:

- The objectives behind arranging this workshop are as follows-
- To introduce the objectives of the subjects included in the curriculum to the teachers teaching these subjects.
 - To highlight the importance and functions of the course.
 - To have in-depth discussion on the course content and exam pattern.
 - To discuss the challenges and the limitations of the course.

Themes and Topics

- * Numerical Aptitude
- * Language Aptitude
- * Logical Reasoning

Registration:

The workshop is open to research scholars, faculty members from Computer Science and Engineering background in colleges, Universities and industry professionals.

The registration fees is shall be as stated below-

- Academicians: Rs. 300
- Students : Rs. 100

The last date for the registration is 15th September 2017, The participants should send the registration form and fees towards the organizers by sending email.

Registration fees covers participation in the workshop Sessions, Certificate, Breakfast and Lunch

Address for Communication :

Mr. I. M. Kazi, the Coordinator, Vice-Principal, College of Computer Science & Information Technology, COCSIT Campus, Ambajogai Road, Latur (Maharashtra).
Ph.No: 8624851502
E-mail: kaziimran1111@gmail.com

Organising Committee
