Action Taken Report of the feedback on all aspects (Specially Curriculum) 2014-15

The feedback on the curriculum was collected from stakeholders such as students, parents, teachers, alumni and employer for the continuous improvement of the curriculum planning and implementation.

The purpose of this feedback is to provide quality education, revise the syllabi according to the market needs and current trends, provide more job opportunities i.e. on campus and off campus and fulfill the responsibilities of social needs.

The collective feedback of all the stakeholders have been summarized and analyzed by the Vice-Principal, HODs' and senior faculty members. The recommendations were submitted to Principal's office. The recommendations regarding syllabus up-gradations are informally communicated to BoS. The student's suggestions about organizing workshops, seminars etc. are communicated to concerned departments.

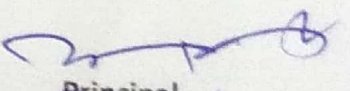

Action Taken by the Institution:

These points were discussed in the Curriculum Feedback Analysis meetings:

- 1) The recommendations of stakeholders about syllabus up-gradations are informally communicated to BoS.
- 2) As per the Alumni suggestions, the institution has organized Workshops on different topics. So the students were encouraged to participate in co-curricular activities.
- 3) Advanced methods of teaching and learning were implemented.
- 4) Students were trained to develop their technical, personal and interview skills.
- 5) Institution has organized motivational lectures.
- 6) Students were engaged in different co-curricular activities conducted by different forums.
- 7) For enhancing research skills, students were motivated to participate in "AVISHKAR" research festival.
- 8) Remedial classes for slow learners were arranged by Institution.
- 9) During the year 2014-15, institution organized Wipro campus placement drive.

All the above mentioned points were approved by the Principal at the end of the meeting.

Date of next meeting has been tentatively scheduled in the month of November 2015.

Action Taken Report of the feedback on all aspects (Specially Curriculum)
2015-16

- In view of enhancing the academic quality of the students and identifying the gaps in the curriculum as per the current requirements, institution has taken the feedback on the curriculum from students, teachers, alumni, educated parents and employers.
- The main purpose of this feedback is the continuous improvement of the curriculum planning and implementation for increasing more job opportunities to the student's i.e. on campus and off campus.
- All the Departments have practice of taking feedback from stakeholders namely students, teachers through teacher's feedback on curriculum, parents through parents-teachers meet and Alumni through Alumni meet.
- The objective of this system is to provide a framework of acquiring, summarizing and documenting information on all stakeholders' feedback.

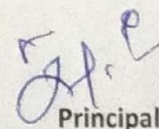

Action Taken by the Institution:

These points were discussed in the Curriculum Feedback Analysis meetings:

- 1) Most of the students suggested for adding more networking concepts in the syllabi B.Sc. (CS), accordingly this suggestion was forwarded to the BoS informally.
- 2) The institution has rewarded the students and staff members, who have secured the ranks in 'AVISHKAR' Research Festival.
- 3) To increase the attendance of the students, the institution distributed 100% attendance prizes to the students.
- 4) It was decided to arrange counselling sessions for the students on regular practice.
- 5) As per the suggestion given by the Parents on co-curricular activities, the institution has organized Seminars, Workshops and Certificate courses etc. for the students.
- 6) For the preparation of students for campus placement drive, the TPC arranged the trainings on different technical, communication, personal and interview skills.
- 7) Institution has organized motivational lectures of the industry experts.
- 8) The co-curricular activities like poster presentation were conducted through different forums in the institution.
- 9) Remedial classes for slow learners were arranged by Institution.
- 10) It was decided to increase the count of University rankers.

All the above mentioned points were approved by the Principal.

Date of next meeting has been tentatively scheduled in the month of October 2016.

Action Taken Report of the feedback on all aspects (Specially Curriculum)
2017-18

To get an overall idea on the syllabi of various courses offered by the University, the college maintains an institutional level curriculum feedback report. Every year feedback on curriculum is collected from stakeholders such as students, parents, teachers, alumni and employer for the continuous improvement of the curriculum planning and implementation.

The objective of this feedback is to provide quality education, upgrade the syllabi according to the marketing needs and current trends, provide more job opportunities i.e. on campus and off campus and fulfill the responsibilities of social needs.

Once the feedback of all the stakeholders have been summarized and analyzed by the Vice-Principal, HODs' and senior faculty members then the recommendations were submitted to Principal's office. The recommendations regarding syllabus up-gradations are formally communicated to BoS. Our 2 members are working as BoS member in the university.

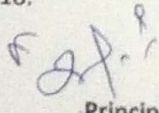

Action Taken by the Institution:

These points were discussed in the Curriculum Feedback Analysis meetings:

- 1) The BoS members of our institute added new courses such as Numerical Aptitude, Logical Reasoning, Event Driven Programming, Internet Technologies with PHP, XML Programming, Web Development, Network infrastructure, etc. in Computer Science Program and Diagnostic biology in Biotechnology Program as per the suggestions given by students.
- 2) Industrial visit for Biotechnology students was organized by the department.
- 3) To improve the project development skills of students, the institution has organized the project development program.
- 4) Conducted GD sessions by TPC department.
- 5) Campus interviews were conducted by different MNC's.
- 6) TPC department conducted counseling sessions of students to improve their technical, communication and personality development skills.
- 7) The institution has distributed 100% attendance prizes to the students in order to increase the attendance of the students.
- 8) The staff members were instructed to assign unit wise assignments.
- 9) The institution has organized Add-on programs, Certificate courses etc. for enhancing the subject knowledge of students.
- 10) Numbers of co-curricular activities were conducted by different forums in the institution.

All the above mentioned points were approved by the Principal.

Date of next meeting has been tentatively scheduled in the month of October 2018.

Action Taken Report of the feedback on all aspects (Specially Curriculum)
2018-19

Institute has all stakeholder feedback system for the continuous improvement of the curriculum planning and implementation. So the institution collects feedback from different stakeholders such as students, parents, teachers, alumni and employer.

The objective of this feedback is to provide quality education, revise the syllabi according to company needs and current trends in the market, provide more job opportunities i.e. on campus and off campus and fulfill the responsibilities of social needs.

The collective feedback of all the stakeholders have been summarized and analyzed by the Vice-Principal, HODs' and senior faculty members. The recommendations were submitted to Principal's office. The suggestions regarding syllabus up-gradations are formally communicated to BoS. Our 5 members are working as BoS member in the subject of computer science and Biotechnology.

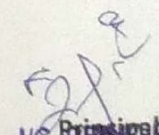

Action Taken by the Institution:

These points were discussed in the Curriculum Feedback Analysis meetings:

- 1) As per the recommendation of Alumni, the courses such as Python, Cloud Computing, Android Programming, Windows Server, etc. were included in Computer Science Program and Medical Biotechnology, Herbal Drugs Development, Bio Fertilizers and Bio Pesticides in Biotechnology Program by BoS members of our institute.
- 2) The courses such as Business Ethics, Entrepreneurship-I and Entrepreneurship-II were included in the BBA Program by the BoS members of our institute.
- 3) Online Learners' Community (OLC) was formed to encourage and motivate the students' participation in online courses and cash prizes were distributed to the participants.
- 4) Project Development program was organized to help the students in enhancing their project work.
- 5) Institution has organized Technology Awareness Workshops on "Voice-Controlled Robot and Drone" in different schools of surrounding area.
- 6) System configuration was up-graded in Institution.
- 7) Institution has provided separate labs for more practice as per the demand of students.
- 8) Institution has conducted add-on courses for the students.
- 9) Campus interviews were conducted by different MNC's.
- 10) The staff members were instructed to assign Unit wise assignments.

All the above mentioned points were approved by the Principal.

Date of next meeting has been tentatively scheduled in the month of November 2019.
