Introduction

The research committee of College of Computer Science and Information Technology Latur comprise of highly qualified, motivated and talented minds who have embarked on frontier careers in research and development in varied areas. The progress can be gauged by the fact that the staff and students of College of Computer Science and Information Technology Latur have made steady progress in various aspects of research such as in obtaining recognition as research guides, number of papers published / presented, awards, honors and distinctions, such as chairing technical session at conferences, citation of appreciation and many more.

Activities

Many teachers have submitted proposals for BCUD and also for Minor and Major research projects. Research Committee encouraged students to participate in Avishkar leading to a very warm response from undergraduate and postgraduate students. As many as different groups of students from Undergraduate participated at the University Research Festival Avishkar. The talks arranged by the committee on research project selection and planning helped students to take up research projects and present at the festival. Students and staff members presented their research as oral/ poster presentations. The participation was from both UG and PG students.

Role & Responsibilities

1. To Create a conducive environment for Promotion of Research & Innovation activities in the institute.
2. To encourage faculty members to apply for major, Minor Research Projects, Incubation, Design and innovation Centers.
3. To ensure smooth functioning and effective management of research & Innovation activities at institute.
4. To promote collaborative research.
5. To strengthen Industry-Institute interaction by promoting consultancy, testing and need based research & innovation activities in the institute.

Aims of the research committee

- Formulation of research strategy.
- Introduction of incentives to promote research endeavors.
- Enhancement of the research culture of faculty.
- Monitoring of progress with research programmes.
- Coordination's of the annual research report and its Quality.
- Liaison with support/funding organizations including bursaries.
- Coordination of submissions to external originations.
- Organizing of research colloquiums.
