**Seminar on Entrepreneurship Development**

**“Industry Interaction Program”**

A seminar on entrepreneurship development “Industry Interaction Program” was organized by Department of Biotechnology on 27<sup>th</sup> November 2017 at seminar hall.

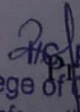

The inauguration of the program was held at 2:30 pm. This seminar inaugurated by Dr. M. R. Patil sir (President, RES, Latur.).

A resource person Mr. Nilesh Thakkar (MBF Latur) delivered a speech on scope of entrepreneurship in agriculture, current economy of farmers in India and also guide our students and faculties regarding the importance of entrepreneurship. Members were actively participated in session.

The aim of this program is to know importance and scope of entrepreneurship.

The valedictory function of this workshop was held at 5pm. The chief guest for this function was Dr. N. S. Zulpe sir (I/c Principal, College of Computer Science and Information Technology, Latur). He guided the participants.

Dr. Nilesh More (Head of Biotechnology Department, COCSIT, Latur) put the vote of thanks.

# Industry Interaction Programme

Mr. Nilesh Thakkar,  
Managing Director of Maharashtra Biofertilizer India Pvt. Ltd (MBF),  
Latur.

Nilesh Thakkar who is managing director of Maharashtra Biofertilizers India Pvt. Ltd (MBF), virtually turned the Latur headquarters of India's top organic fertilizer company into a campaign office.

This is the office from where he runs Jalyukt Latur, a public campaign to revive the Manjra River nearby. And Thakkar is not the only businessman to have committed resources to this campaign. Representatives from all major industries and retail businesses, commodity markets, educational institutes and cooperative banks have teamed up with social organizations to raise money for the initiative that aims to find a permanent solution to the water scarcity problems of Latur.

For the development Mr. Nilesh Thakkar receives donations from businesses, educational institutes, banks, trade and professional associations, and commodity markets.

His company MBF operates in 14 states, including some other drought-hit ones like Karnataka, Andhra Pradesh, Madhya Pradesh, Chhattisgarh, and Jharkhand.
