Dear Dr. More,

Thank you for your reply.

Most of the time schedules are 11:50 pm on the day of Jan 10 or about 9 am on the day of 11th for the arrival at

the airport. I prefer to book the arrival time of 11:50 pm on Jan 10. I do not want to wait for a long time like more 12hrs in the airport.

Is this Ok for me to go to LATUR even though I arrive at 11:50pm in the airport which is a very late night?

I am asking this because it maybe is too late for the day for me to go Latur. Will there be a transportation?

I will send you my abstract by this weekend and the copy of passport.

I do not know the traffic system there.

Please advise me.

Best wishes,

Se Chul Chun

Dear Dr. More,

First of all, I would like to thank for your kind invitation. It is my great honor and pleasure to serve as the speaker for the conference on "Recent Advances in Food, Herbal and Nano Technology". You may learn that I have been working on seafoods. Current researches in our lab are mainly focused on quality of fish and fish products as well as the valorization of fish processing byproducts.

I am wondering how long I have to deliver my talk and which topic you prefer.

I have two tentative topics for you to choose.

1. Valorization of fish processing byproducts
2. Use of plant extracts as processing aids in fish/shellfish products

Also, if possible, please send me the letter to clarify my purpose of visit for immigration office. Thanks so much.

If you want anything else, please do not hesitate to let me know.
