## COVERING LETTER

To,

The Principal,  
COCSIT Campus, Ambajogai Road ,  
Latur

**Subject:** -Application for the suitable post Assistant Professor (Computer Dept.) in your organization.

Respected Sir/Madam,

With reference to the subject entitled above, I wish to offer myself as a candidate for the relevant post in your esteemed organization. I **Mrs. Sunita Dilip Patil** completed **M. Tech. (Computer Sciences and Engg.)** with **First class with Distinction** in July 2018 from VTU Belagavi, Karnataka. I have 3 years of teaching experience.

As you can see from my Resume, my academic qualification has given me a capacity to understand the computer sciences and engineering related issues in an efficient manner. It will be a great opportunity for me if I get a chance to work with your esteemed organization having highly qualified and competent professionals. It would surely help me to enlave my path in the key area of IT sector.

I am enclosing here with the copy of my resume for your kind reference. I shall be thankful, if looked for an interview, so that I may furnish you with more details in personal.

Thank you for your consideration and I look forward to hearing from you.

Thanking you.

Yours faithfully,

**Mrs. Sunita Dilip Patil**

## PROJECT DETAILS

### Major Project

**M.E** – *Secure and Efficient Authentication Scheme against Password Attacks*

I have made a bank website which includes four channels User, Browser, TSP and Server. User would perform different transaction and server will provide the One Time Password. This One Time Password will be sent to User's registered mobile number

### Mini project

*Load Balancing for Internet Distributed Services using Limited Redirection Rates.*

I have made a project in which if any server gets loaded then the server will balance the load by sharing it with dummy servers created by the project.

### Major Project

**B.E** – *GUI Editor for C.*

I have made an GUI Editor in which we can draw different shapes such as circle, triangle, rectangle, hexagon, etc. Also at the backend we can easily get the C code for these shapes. As we know that writing C code for such shapes is little bit tricky so I have made an editor which would give me a C code for such different shapes.
