

College of Computer Science and Information Technology (COCSIT),

COCSIT Campus, Ambajogai Road, Latur - 413512

Date : 26th January 2018

Time : 30 Minutes

Marks : 47

Name of Student: Jadhav Santosh Kamalakar

Class: BSc.(CS)-FY-A Mobile No.: 9881120842

Instructions:

The goal of Sudoku is to fill in a 9×9 grid with digits so that each column, row, and 3×3 section contain the numbers between 1 to 9. At the beginning of the game, the 9×9 grid will have some of the squares filled in. Please use logic to fill in the missing digits and complete the grid. Don't forget, a move is incorrect if:

- ❖ Any row contains more than one of the same number from 1 to 9
- ❖ Any column contains more than one of the same number from 1 to 9
- ❖ Any 3×3 grid contains more than one of the same number from 1 to 9
- ❖ Once you have written digit, don't write them again.

Instructions:

The goal of Sudoku is to fill in a 9×9 grid with digits so that each column, row, and 3×3 section contain the numbers between 1 to 9. At the beginning of the game, the 9×9 grid will have some of the squares filled in. Please use logic to fill in the missing digits and complete the grid. Don't forget, a move is incorrect if:

- ❖ Any row contains more than one of the same number from 1 to 9
- ❖ Any column contains more than one of the same number from 1 to 9
- ❖ Any 3×3 grid contains more than one of the same number from 1 to 9
- ❖ Once you have written digit, don't write them again.
