"All of us do not have equal talent But,
all of us have equal Opportunity to Develop our Talent"
Remembering Dr. A.P.J. Abdul Kalam

National Conference
on
AI, Machine Learning, and Data Science (NCMLDS-2024)

on

5th to 6th April 2024

:Organized by:

COCSIT

Department of Computer Science
College of Computer Science and Information Technology (COCSIT)
Ambajogai Road, Latur
(MS-India) - 413512

Chief Patron
Hon. Dr. M. R. Patil
President, Royal Education Society, Latur
Honorary General Chair

Mr. L. M. Patil,
Vice-President, Royal Education Society Latur

Dr. B. L. Gaikwad,
Vice Principal, COCSIT Junior College, Latur

Mr. N. D. Jagtap,
Consultant Director, COCSIT Latur.

Conference Chair
Dr. N. S. Zulpe
Principal, COCSIT Latur

Organizing Secretory
Mr. D. R. Somwanshi
Vice Principal, COCSIT, Latur

Dr. D.H. Mahamuni
HOD, Department of C.S., COCSIT, Latur

Steering Committee
Dr. V. V. Bhosle
Mr. K. R. Jadhav
Mr. V. D. Patil
Mr. B. M Sontakke
Mr. T. S. Kharbad
Mr. S. S. Shaikh
Mr. N. A Mhetre
Mr. S. V. Deshmukh
Mr. S. R. Mane
Ms. L. R. Hawle
Ms. V. M. Motegaonkar
Ms. Suchita Tabolkar

Technical Advisory Committee
Dr. Ratnadeep Deshmukh,
Professor, Dr BAMU, Aurangabad

Dr. U. V. Kulkarni,
Professor, SGGS, Nanded

Dr. Santosh Khamitkar,
Director, School of Computational Science, SRTMU Nanded

Dr. Grirish Chowdhary,
Professor School of Computational Science, SRTMU Nanded

Dr. Vikas Humbe,
Director, School of Technology, SRTMU, Sub Center, Nanded

Dr. R. J. Ramteke,
North Maharashtra University

Dr. R. S. Hegadi,
Professor, Central University, Kalburgi,

Dr. R. R. Manza,
Professor, Dr BAMU, Aurangabad

Dr. R. D. Morena
Professor Veer Narmad South Gujarat University, Gujarat

Dr. Shivanand Gornale,
Professor Rani Channamma University BELAGAVI, Karnataka

Dr. A. A. Desai,
Professor, Veer Narmad South Gujarat University, Gujarat

Dr. Malikarjun Hangarge,
Professor, Karnataka college of Science and Commerce, Bidar, Karnataka

About the College

College of Computer Science and Information Technology popularly known by its acronyms (COCSIT) and is managed by Royal Education Society, Latur, with the mission - Rute Dnyananna Mukti (Liberation is possible with right knowledge). The institution has reaccredited with B+ grade by NAAC and an unflinching faith in the spread of state-of-the-art education in the area of the Marathwada region. The College believes in bringing the youth of this region in the mainstream of the modern society. It, very sincerely, wants the young in the area to be equipped with modern education. Then only, the students of the soil will be able to take on their global counterparts. Our mission is to liberate the students of this area from ignorance, poverty, unemployment, etc.

The prime concern of the institution is to mould the personality of its students from every angle. The institution also tries to inculcate deference for the ethical values sans which any material advancement is rendered void. Students armed with the knowledge of Computer Science, Information Technology and Biotechnology will make this world a better place for themselves and for the others. The Royal Education Society is trying to create a place for itself in the Global Village.

About the Department

Currently, this department is offering an undergraduate programs B.Sc. (CS), BCA, B.Sc. (SE), B.Sc. IT, B.Sc. CM, B.Sc. NT, B. Voc. Software Development and postgraduate programs M.Sc. (CS) and M.Sc. (SE). and M.Sc. SAN. And M.Sc. CM. The department is currently recognized as research centre by the university and other Programs like Short term courses, Add-on courses, Certification in OCA and OCP. Several user oriented programs like are planned to be in place in the next couple of years at postgraduate level, customized to the needs of the industries. To build a stronger base and bigger groups with complementing talents integrated, it is proposed to develop all areas and all aspects of Computer Science through the expertise and experience of faculty members.

However, the College / Institute is specifically looking for faculty members with research focus / accomplishments in Computer Animation, Distributed Database System, Fuzzy Logic, Neural Networks, System Software and Software Engineering to build research groups and force the research activities carried out in department / College.

About the Conference

The National Conference on Machine Learning and Data Science aims to provide a high-level national forum for researchers and recent advances in the field of Artificial Intelligence Machine Learning, Data Science, Computer vision, Block-chain, communication, cloud computing, big data analytics, cybersecurity, quantum computing, Bio-computing, IoT, etc. The aim of the conference is to bridge the gap between technological advancements in the industry and academic research.

Registration Fees:

M.Sc. B.E./M.Tech. Students/attendees	: Rs. 2500
Author/ Ph.D. scholars Academicians (Faculty)	: Rs: 3000
Industry Delegates	:Rs. 4000
Abroad Delegates	:Rs: 5000

Registration:

Participant/Author have to register for the conference on following URL, https://cocsit.org.in/ncmlds/registration.php

Keep the registration payment receipt with you for future communication.

Important Dates:

Last Date for Submission	: 29-Feb-2024
Confirmation of Acceptance	: 15-March-2024
Last date for Registration Conference	: 20-March-2024

For Authors

Authors are required to submit full-length papers through conference submission platform https://easychair.org/cfp/ncmlds-2024. Only original and unpublished papers should be submit will be considered submit. Best papers will be awarded. Paper should be submitted in docx format. Authors can also present their work through online platforms. Complete details of the conference can be found at the URL of College Website.

Website: https://cocsit.org.in/ncmlds

Conference Topics (not limited to):

- Artificial Intelligence
- Machine Learning
- Internet of Things (IoT)
- Data Science
- Blockchain
- Cloud Computing
- Soft Computing Techniques
- Image processing
- Biomedical Image Processing, Bio-computation and Bioinformatics
- Pattern recognition
- Clustering and Classification
- Image Segmentation
- Pattern Classification through Sensors
- Big data and data mining
- Natural language processing
- Document Processing
- Object Detection recognitions, Scene understanding and Video Analytics
- Colour and Texture Analysis
- Biometric: Finger, Face and Palm Recognition
- Analysis and Predictions
- Sentiment Analysis

All accepted and presented papers will be published in one of the following journals.

1. Compliance Engineering (UGC Care).

2. https://easychair.org/cfp/
