Report on International Women's Day Program

Theme: "Give to Gain"

The **Internal Complaints Committee (ICC)** of the COCSIT organized a program on the occasion of **International Women's Day** on **Monday, 9th March 2026** at 3.30pm in seminar hall. The theme was **"Give to Gain"**. The resource person for the program was **Prof. Urmila Bhandarge**, a psychologist and scholar in Education, Hindi, and History. The objective of the program was to create awareness about the importance of women's empowerment, mutual support, and the value of contributing positively to society.

The event began with a **welcome address** by Dr. D.H. Mahamuni, where the importance of International Women's Day and the role of women in society were emphasized. The speaker **Prof. Urmila Bhandarge** discussed how women today are contributing significantly in various fields such as education, technology, business, and social development. The theme "Give to Gain" highlighted the idea that when individuals contribute positively to society, they gain respect, confidence, and personal satisfaction.

81 girl students and 17 ladies staff members actively participated and interacted with the resource persons during the discussion session. The event successfully created awareness about women's empowerment and inspired participants to adopt positive values in their personal and professional lives.

The program was hosted and concluded with a vote of thanks by **Prof. Sushama Munde**, member of Internal complaints committee, who also elaborated the importance of celebrating International Women's Day and expressed gratitude to everyone who contributed to the success of the event.

Dr. D.H. Mahamuni
